#### Canton Lions Club

The Canton Lions Club was established in 1932. It is the oldest civic organization in Cherokee County. We are part of a worldwide organization that helps with our communities vision needs.

Our **Vision Assistance Program** help community members to improve their vision health through eye exams and glasses.

Our **Kids Sight Program** performs pre-school vision screening to find early problems in children 6 months to 6 years old. In 2023 we expanded it to include elementary through high school children. In 2024 we screened nearly 1,000 children.

Our **Star Student** and **Peace Poster** contests promote both the academics and arts in our schools.

Your help through the support of the Canton Lions Golf Classic will go a long way to fund these projects and more.

**The Canton Lions Club is a 501-C3 charitable organization.**
