Annual Charity Golf Classic

May 5, 2025

OUR CLUB HISTORY

The Canton Lions Club was established in 1932. It is the oldest civic organization in Cherokee County. We are part of a worldwide organization that helps with our community's vision needs.

Our Vision Assistance Program helps community members to improve their vision health through eye exams and glasses.

Our Kids Sight Program performs pre-school vision screening to find early problems in children 6 months to 6 years old.

Our community service programs include Camp for the Blind, Star Student, Peace Posters, Camp Abilities, and various supports of community needs.

Your help through the support of the Canton Lions Golf Classic will go a long way to fund these projects and more.
